

Welcome
to our
school!

Butea Secondary School

Our mission

Butea Secondary School offers the chance to all students to a quality education, having as purpose to have as many graduates as possible which will easily adapt to the social life needs.

Also....

We always keep in mind the fact that every project increases the students' development and the school's notoriety.

Our school...

...is located in the North-East part of Romania, in Iasi County, Moldavian region

...and in the South-West part
of the county.

The first school was established in 1886 and the classes were attended in the teacher's house. The location in the image was built in 1894 and was renovated in 2000.

Structure

Butea Secondary School is comprised of 4 locations, disposed in 2 villages: Butea and Miclauseni:

Butea – 1 Kindergarten, 1 Primary School and 1 Secondary School

Miclauseni – 1 kindergarten, 1 Primary School

The kindergarten and the Secondary School gained a renovation project which is unfolded within 2018-2020.

We are currently in the projection phase.
